REHEARSALS

Most rehearsals take place within regular class time.

There are two extra rehearsals which **all participants must attend**.

Sunday 22nd November – Dress Rehearsal at Simply Ballet studio.

You will need to be available at anytime during the day as unfortunately rehearsals cannot be scheduled around other events. Most students will be required for 1-2 hours.

Sunday 29th November – Theatre Induction and Onstage rehearsals at Richard Flynn Theatre. Rehearsals to be scheduled between 9:00am-5:30pm.

Attendance at these two rehearsals is compulsory for all participants, particularly the Theatre Induction and Onstage Rehearsal. Theatres are working environments and involve many moving parts, induction is required for safety reasons.

Students must also maintain regular attendance at classes to learn and rehearse performance pieces.

If regular class attendance cannot be maintained, a student may be withdrawn from part, or all of a performance piece to allow rehearsals to continue in their absence.

Each class will be given the opportunity to learn at least one performance piece and be involved in the show's finale. Some classes may be combined to produce a singular performance piece if required.
