Dress Rehearsal Procedures for Preschool and Graded Divisions:

- Students need to be dropped off at the front door. Unfortunately, no parents/carers can be onsite during dress rehearsals due to limited space.
- Students will pick up their costume and staff will assist with hair and changing if needed. Arriving at your allocated "Arrival Time" will allow plenty of time to prepare for your rehearsals to start.
- Students should arrive in their normal class attire and will then change into costume at the studio.
- Students will need to get changed out of costume before leaving the studio. This is to protect your costume from any damage**. Costumes are not replaceable if lost, damaged, or stained so be sure to take care of them!** Full costume care instructions are available in your Concert Survival Guide
- **Please collect your student from the side entrance of the hall**. We appreciate that you do not enter the studio to collect your child. They will exit through the side door at the conclusion of their rehearsal and when they are changed.
