

RAD Assessments Dress Rehearsal Schedule

All students undertaking RAD Assessments (except Dance To Your Own Tune) are required to attend their dress rehearsal before their assessment day.

This rehearsal is important for students to practice their assessment procedures and settings, and interacting with the music operator.

Students should attend in their full assessment uniform with their hair in a bun, including all shoes and skirts required (Character skirts are supplied by Simply Ballet). Group pictures will be taken at Dress rehearsal.

Dress rehearsal times and dates for each level are below.

Due to the way students are grouped for assessments, you must attend the correct dress rehearsal for your class group. You cannot swap to another group. Details of your group can be found in the email with your assessment date and time.

Grade	Dates	Time
